Copacabana Beach - Wasted - New Years Eve 2010

I needed the toilet, there was about 20 minutes till midnight and the queue was way too long for the toilets. I noticed all the men pissing along the water front. I thought that would be a great idea to join in... I got into the water, just so my bottom half was covered and before I knew it a massive wave had knocked me flat out... Suddenly I was floating in the water, with stage fright not being able to piss for the next 5 minutes...

Why is the website called bytestories.com?

This is a place for "byte-sized" stories and there is a 1500 character (about 250 words) limit for two main reasons. Firstly, we want you to know that "War and Peace" isn't required to leave your mark. Secondly, it takes about 2 minutes to read each story meaning you can head here whenever you want a quick (and entertaining) read.

If you would like to share a story or create your own eBook, simply head to bytestories.com, Register an account and click on the "Share a Story" button.
